RE: Member Account # _____

My (Son/Daughter) is maintaining account # _____ with your Credit Union. At the time of opening the said account he/she was minor and I, as a guardian had opened this account.

Since my (Son/Daughter) has now reached the legal age of 18 years therefore; I would like him/her to operate the said account independently. A copy of the DL# _____ and account card is enclosed herewith. I have no objection what so ever for the above account being operated by him/her henceforth.
